GOLDEN CALLA

The Greatest Red Rose in America

GERMAIN'S Chrysler Imperial All America Winner for 1953

The CHRYSLER IMPERIAL ROSE is unmatched by any other red rose. Its vivid, rich tones of crimson are enhanced by darker overtones of glowing oxblood red, and the gem-like lustre of garnet in the folds retains its sparkling beauty.

Long, tapering buds unfold even in adverse weather, opening to large, high centered flowers measuring 4½ to 5 inches with 40 and 50 wide petals. These are borne on sturdy, medium long stems. The opening of each rose is a thrilling spectacle of changing, iridescent shades of red. The flowers are very sweetly scented with true rose fragrance.

In growth, Chrysler Imperial Rose is compact, and symmetrical. Its abundant, dark green, semi-glossy, disease resistant foliage gives the bush the appearance of a handsome garden shrub. CHRYSLER IMPERIAL—Strong, two year old, field grown bushes.

GERMAIN'S Latest Rose Creation *Sun Valley*

Winner of the Coveted
City of Portland
Silver Certificate

Plant Patent 1135

Symbolizing the breath-taking
Beauty of Famed Sun Valley

At last — in "SUN VALLEY"—Germain's presents the warmest, richest, most vibrant yellow ever captured in a rose.

Its true guinea golden yellow holds their magnificent brilliant tone in open bloom for days — even in bright hot sunshine—without a trace of fading!

The full, beautifully shaped buds open to large, strong and lasting blooms on long straight stems. The foliage is disease resistant and its vigorous, shining dark green tone forms a perfect foil for the golden flowers borne in season-long profusion.

Rose growers, from coast to coast in conclusive trials, have found "Sun Valley" the purest non-fading yellow rose—and one that holds its pure color better—than any yellow rose they have seen.

For masses of dazzling sunshine in your garden all season—and long lasting brilliant yellow bouquets—"Sun Valley" should be a "must" on your rose list.

PHLOX

Bird of Paradise

Strelitzia Reginae (Bird of Paradise) Rivaling the tropical Bird of Paradise in splendor, this flower with its combination of red, yellow, blue and orange is quite different from the average garden subject. Easily grown out of doors wherever oranges thrive or suitable as a tub plant in the colder sections. Should be left undisturbed in a sunny situation in a rather rich soil and liberally watered for most abundant bloom. Blooms last an unusually long time when cut. In great demand by florists everywhere.

Bletia Hyacinthina

A hardy garden Orchid that does well as a pot plant, producing quantities of true Orchid flowers that are splendid for corsages or table decorations. Any good well-drained soil with leaf-mold added suits them. Water sparingly when dormant, increasing the supply as the new growth appears. Likes shade or semi-shade. Beautiful mauve shade, throat marked darker.

NP009..... Ea. 50c; 3 for \$1.25; 10 for \$3.75

Clivia

New Hybrid Clivias succeed best in dense shade and thrive under overhanging trees, in secluded nooks and patios. In California and the South they are more and more the distinctive feature of finer landscaping for shade, while in colder climates they are outstanding pot plants for the home or conservatory. When used as a pot plant the Clivia should be allowed to become pot bound, more blooms will be obtained.

Delphinium Pacific Hybrids

We believe this strain of Delphiniums to be the equal of any strain in existence. Noted for their stiff stems and heavy foliage they are a standout in any garden. While easy to grow a few pointers may be needed to assist in growing them better. Delphiniums do not require a rich soil but do much better where lime is applied at planting time. Well-drained soil is essential to their well being. Keep crowns of plants above the soil line when planting. Sold in mixture only.

NP035..... 3 for \$1.25; 10 for \$3.75

DAISY

All the sterling qualities which made the double Shasta Daisy a favorite with leading florists, and a best seller on the cut flower market, are enhanced and intensified in the extra large, superb double flowers of German's New Daisy. The blooms are snow white and fully double to the very center. Plants grow much more vigorously than most daisies and have heavier foliage. Flower stems are rigid and strong. We recommend this variety very highly.
